

## Agreement on IMPRS-HD membership (to be handed in 2 weeks after arrival in Heidelberg)

The PhD student \_\_\_\_\_

working on a thesis project with the (preliminary) title

\_\_\_\_\_  
\_\_\_\_\_

and their main supervisor \_\_\_\_\_

agree on the membership in IMPRS-HD. Their thesis committee members are

1) \_\_\_\_\_

2) \_\_\_\_\_

3) \_\_\_\_\_

Student and supervisor have read the information on "IMPRS-HD: rules & conditions" (see under "Academics" on the IMPRS webpage) and will perform the thesis committee meetings as specified under <https://www.imprs-hd.mpg.de/5749/Thesis-committee>.

The student will actively take part in the IMPRS-HD program. Successful participation (curriculum, thesis committee) will be attested by an IMPRS-HD certificate (<https://www.imprs-hd.mpg.de/489629/Certificate>). Note: Memberships in IMPRS-HD and HGSFP are coupled. Thus, without a signed IMPRS membership form, a registration at the HGSFP for doctotal studies will not be possible. The membership in IMPRS-HD and HGSFP is finally accomplished with the acceptance for doctoral studies by the Dean's signature.
